

ALEX SHIPMAN

DOP / Camera Operator

Alex started her career as a PA working as a Directors personal assistant on movies such as Jack Reacher 2 before moving into camera. As a camera assistant in Digital, film and VR formats in commercials for brands such as Burberry, L'Oreal, Mulberry to name a few and spent 6 months working on JML Teleshopping commercials. She now freelances as a Camera operator/DOP in EPK and documentary content.
